## WORK EXPERIENCE

### **Freelance Graphic Designer & Developer**

*October 2012 - Present*

Continuous freelance experience with a multitude of clients with projects ranging from branding design to web development.

### **Design Intern**

**Bridge Nine Records**

*January 2016 - May 2016*

Designed promotional materials for punk label Bridge Nine and their bands. Assisted in the creation of the label's new discography website, and performed maintenance on the label's website.

## WORK EXPERIENCE *(continued)*

### **Web Development Assistant**

**Fitchburg State University Technology Dept.**

*January 2015 - May 2015*

Used quality assurance tools to ensure consistent quality throughout the university's website, helped content editors update their sections of the website, and trained members of the staff to use the content management system.

### **Graphic Designer, Web Developer**

**AHT Technology**

*June 2012 - June 2013*

Worked with small and large businesses on various projects including web design and development, branding, print media, online advertisements, and social marketing.

### **Design Intern**

**Concept Link, Ltd.**

*Summers 2007 - 2009*

Interned at a full-service graphic design agency and print shop nearby the RISD campus. Gained experience with the Adobe Suite, proficiency in graphic design, and used professional printers.
